Daily Bulletin #163, Hq AAF Station 109, APO 557, 10 August 1944 (Cont'd)

EIGHTH AIR FORCE VICTORY SQUADRON WAR BOND CAMPAIGN FACTS AND FIGURES:

It has been brought to our attention that Station 106 has already exceeded their goal in the present War Bond Drive. Their goal was the same as ours yet we are lagging behind pitifully. WHAT ARE WE GOING TO DO ABOUT IT?

Station 103 has subscribed 75% of its quota.

Station 107 has subscribed 60% of its quota.

STATION 109 has subscribed only 40% of its quota.

We have to get on the ball, half of the month is almost gone and at the rate we are going we shall never reach our quota.

ATTENTION ALL BOMB SQUADRONS: Yesterday started a two week drive for Class "B" allotments. Each squadron needs at least 125 Class "B" Bond subscriptions to meet the quota. The other organizations on the field are doing a grand job on this Class "B" Drive. The Squadrons are lagging. COME ON FELLOWS, PITCH IN AND MEET THAT QUOTA.
