## INFORMATION

ONE MONTH MORE TO GO: "\$86,000 ain't hay." That's our goal in the Eighth Air Force Victory Squadron War Bond Campaign. Pay Day has come and gone and we have pledged only a fraction of this amount.

The campaign lasts just one more month. In this time remaining in the campaign we have to raise more than \$60,000. To reach this goal every man on this base must extend every source of effort.

Men who have Class "B" allotments made out before the campaign began must make every effort to purchase at least one cash War Bond.

Men who make monthly cash purchases of War Bonds must extend themselves to the limit this tenth to buy more or larger cash purchases War Bonds.

Daily Bulletin No 156, Hq, AAF Station 109, AFM 557, 2 August 1944 (Cont'd)

Men who don't buy War Bonds every month and who don't send their pay home now have the best chance they ever had to start buying War Bonds.

If every man on this base who does not now have War Bonds was to make an extra effort this month the unpledged balance of our \$36,000 goal would vanish in a hurry.

The success of the War Bond Campaign depends upon the whole-hearted support of every man on this base. Are YOU doing YOUR part?
