TODAY IS PAYDAY!!

The Big Push is on! The Eighth Air Force Victory Squadron War Bond Campaign is now in full swing. Hundreds of men have already signed up for cash purchase War Bonds. Many scores of others have pledged themselves to new War Bond allotments.

The men of the M.F. Company forged far in the lead in the inter-organization competition. Eighty-five percent of the M.P.s have already signed up for cash purchases or new allotments, putting them far in the lead in the inter-organization competition.

The men of the Sub-Depot may outstrip the other units on the base with their well organized campaign. It's a contest of barracks against barracks among the Sub-Depot men. Several men have pledged themselves to purchase \$1,000.00 War Bonds, and many more have indicated their preference for the \$100.00 and \$50.00 War Bonds.

Help put YOUR organization in the lead. Sign up with the War Bond Officer or Clerk in your orderly room if you have not already done so. Each man on this base must put forth every ounce of effort during the Eighth Air Force Victory Squadron War Bond Campaign if we are to reach our goal of \$86,000 in War Bonds before 2 September.

LOST: A barracks bag was lost two weeks ago in a command car on this Station. Will finder please return to the Station Sergeant Major's Office.
