4. The bomb loading for this operation was received from weedquarters 40th Combat Wing by Capt. Prease at 2100 hours 8 Larch 1944. The order called for twenty (20) B-17's and six (6) spares aircraft from the 92nd nomb Group to be loade with 10 x 500 GP Bombs with 1/10 nose, 1/100 tail fusing, plus one (1) aircraft from the 482nd Bomb Group

b. The Field Order was received from Headquarters 1st Bomb Division by Capt. Prasse at 2232 hours 8 warch 1944. Flight plans and details of the mission were completed, briefing being set for Ohio hours and take-off time

2. leneral larrative.

a. 92nd bomb Group (Lead Group 45th Combat Wing)

(1) Take-off was accomplished by twenty (25) B-17's plus six (6) spare 8-17's from the 92nd Bomb Group and one (1) aircraft from the 452rd Bomb Group beginning at 0750 hours. The assembly for the main group was made over rodington on the 40th Combat Ming Buncher as shown in Diegram "A". The six (6) spare B-17's formed a high squadron of the High Group 40th Combat wing Buxeker as shown in Diagram "B". The formation departed the noth Combat ing Buncher at OSA7 hours flying as lead group of the 40th Combat ing.

b. The route out was followed according to flight plan and the inglish coast was departed at 1001 hours. The enemy coast was entered at 1053 hours at an altitude of 22,700 feet. The I.F. was reached at 1348 hours which was forty-five (45) minutes late due to wind changes. At the I.P. a complete undercast covered the Frimary Target and therefore the Secondary Parget, the center of Berlin was attacked. Bombs were dropped on the lead aircraft from the 4c2nd bomb Group on a magnetic heading of 255 degrees at 1355s hours from 24,700 feet. The formation over the target is shown in Liagram "C". The 92nd Lome Group rallied successfully with the low and high groups of the 40th Jombat wing after the target and then began a descent. The English Joast was crossed at 1600 hours and the lead abroraft reached the base at 1650 hours.
